Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Thursday 05 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Continued risk of showers, some heavy and thundery.

This Evening and Tonight:
Remaining mostly cloudy as heavy isolated showers continue into this evening and throughout the night. Remaining breezy, particularly around the coast. Warmer than previous nights. Minimum temperature 15 deg C (59 deg F).

Friday:
Localised showers and unsettled weather across the region. Some longer sunny spells possible between showers with breezy winds feeling cool. Maximum temperature 20 deg C (68 deg F).

Outlook for Saturday to Monday:
Showers continue into the weekend with unsettled conditions prevailing on Saturday and Sunday. Sunny spells but feeling cool. Showers begin to fade into Monday giving way to further sunny spells.
